116	23-Apr-07 Viren	Congratulations to VK, Chand(Mrs. VK Saluja) and harshu for their contribution to the new section'Sprituality". It is heavy duty stuff. I just woke up and skimmed through it. Looks like you guys have put in lot of efforts into writing this stuff. I applaude all three of you for your interest and presentation on the subject. Later, in some quiet moment I will read the stuff, absorb it is enjoy it. Once again good job guys.
115	23-Apr-07 Viren	Note to Girish.... You are the best person to provide names of people in the Lucknow chapter photographs. HARSHU...Thanks for adding Lucknow Chapter to the web site. It has added another dimension to the enjoyment of the site. Great job.
114	23-Apr-07 viren	VK.. I just woke up and read your memoires. Enjoyed it very much. I liked your simple style of writing. I do not recall ever visiting Aalu tikki place. You Govind Bhawanites kept it to yourself.And now you are telling us. many AZAD BHAWANITES missed out on that. I also do not recall Sudhir's Gen Secretary election celebration. Looks like you guys had good time. I do recall most of the other incidents mentioned in your beautiful memoires. VK... If you have some pictures from Roorkee days, please send those to harshu. He may want to insert those as part of your memoires.
113	23-Apr-07 VK Ojha (binni)	Harshu, now the website is looking thoroughly professional. Coming from the master of his trait. Simply great.

Saluja, What Sudhir Tyagi sang was something like "kaale megha paani do....." But, of course, it was a lavish party.

Effort is fantastic.
Memoirs are excellent.They do take us back the memory lane.
I am feeling encouraged to add my bit.
Again my heartiest congratulations for bringing us all together.
We should try to fill up the missing links.

Harshu, Your memoires brought back very fond memories of Roorkee days. Your dedication of the memoires to TCK was very touching. Enjoyed the writeup very much. I will read ogain and then some more and the feed back will continue. Excellent job done. Hope this will encourage other friends to write their own version of Roorkee days memories.

What are you waiting for yaaar. The same message goes to all other TOPO Groupies as well. So nice to more and more members giving their feedback on this forum This makes harshu's efforts worthwhile.

Most of you in the photos are very recognisable. Thats really great. wish more photos including the charming spouses are posted so that really we do not " roorkee key din bhula na dena " . I asked Binni to add the following to his memoirs but he passed on the buck to me to narrate here: so this happened in, I think, 1963:
some scholarships had been announced in 3rd year and we sauntered down to the notice board to generally see the names after hearing rumours about our names. as chance would have it dear Binni was also loitering there. both of us were surprised on seeing our names in the list and simultaneously asked each other " abey tu kyaa kur rahaa hai yahan ? " I don't remember whether his name was more surprising or mine! we were both brillianter than the other!?! best wishes to you all.

Niranjan,
Beautiful picture of Shashi. You look good too Yaar.I have stopped my chanting...Dost Dost na raha for now.

103 16-Apr-07 VK Ojha

Niranjan Garu. You and Shashi are looking great in the photo gallery, you both need to give black touch to the scalp and would look fresh and shy like newly weds. Kya raaz hai?

102 16-Apr-07 VK Ojha (aka binni)

Great deed Harshu. I liked your breezy and crisp way of expression. But, I am sorry; TC Kanpal was not in Electrical (my mistake). Prof Ghosh slapped DP Singh only, the same incident that you described)only, I didn't describe his name). At Nainital we saw "Tere Ghar Ke Samne" the Devanand Nutan starrer during our Ghorakhal camp.

I would like to thank VK, for his efforts in enabling us to re-live those good old memories which start rolling forward like a film although black & white, but his narations of certain happenings & tits/bits add lot of colors to it.

Let me se, when I can attempt to give my version of/from smallgroup view point the poor telecomm. For this first task would be to search my old album and digiize the photos where I remember PD, SR & Jadauan should be definetly there.

95 13-Apr-07 VK Ojha (aka Binni)

Thank you Sexy, thank you Saluja (Asa Ram Goyal was never my friend) and thank you Munnu (Viren, you know) for being so generous with the praises. I donot know if Sexy really remembers me but he was funny and humorous, evoking a snigger or two whenever around. I remember him come out of Ravindra Bahawan, ride his bike and salute Sood (not the sportsman one), and as he passed Sood he converted his saluting hand into a fist, projected the first finger out and rotated it into a circle round his ear (signalling a loony). But now we all are so different, so "gentlemanly". And, Munnu, don't ever grow up! For once, try to veto Neerja.

Lastly, Harshu dear has made my memoires readable by decking it and inserting pictures. Thanks a bunch for the "mehnat".

Now awaiting memoires from Mull and Bhushan....

93 11-Apr-07 Viren Goyal

Binni,

This is one of the most incredible memoires that I have ever read anywhere. I have done lot of reading, nothing comes even close. This memoire is par excellence.I could relate to it very closely because we all lived the time together. The memoires brought so many fond memories. This was perhaps the happiest and looking back.... semi innocent times of our lives. We were in the process of turning from teenagers into young adulthood. Looking back, what all we did was perhaps right for the times. Even today my wife often tells me ...Viren you should act your age... when will you grow up. May be I do not want to grow up. Binni you are a great friend and i will cherish our friendship as long as I live. It has been etched into my heart for ever. Those were the days. Who could think... imagine in those days that even after 45 years we will still be in contact and sharing our lives. Who could imagine we would form the TOPO GROUP later in life and frequently interact (atleast) via e-mail. I thank God for being so kind to all of us. TOPO BINA KIMAPI NA SADHYAM. I will be remiss if I do not mention Buddy Harshu in working tirelessly and enthusiastically to create the TOPO GROUP site, which I believe is instrumental in bringing us all closer together.

92 10-Apr-07 VK SALUJA

Ojha , excellent one, I have no words to appreciate your writing. You may be remebering that I am very poor in English as I studied in GURUKULA Kangri and used to pronounce curricular as surricular activities and so many such pronounciations that NIRANJAN Sinha used to say "ek aur magga aa gaya". Prof. Ghosh slapped DP Singh who was never on fault the real culprit was SN Mishra , now the best friend of Chitra. "yaar main etna bhi nahi jeetata tha ki ghar se paise na mandwane parein."By the awy I also fought election of mess (for purchase Secy) but was beaten by Asha Ram Goyal of Civil branch , perhaps he was your friend. Sudhir refused to do convessing for me because he had planned to fight election of Gen.Secy. and was not interested to make anyone else unhappy, really intelligent.VK

Bravo Binni! Just finished reading your memoirs. What a pleasure. You have put in a lot of effort, reached deep into the recesses of your memory, and produced a superbly written memoir that brings alive the spirit of our Roorkee experience. Thank you for sharing the memories. When I try to duplicate your feat and try to dredge up some memories I am reluctant to admit that the ravages of time have rendered my memory bank almost bankrupt. But your stories did bring back two memories: my sound defeat by Sudhir Tyagi for the General Secretaryship of the ES Club and the "adlakha " chant that rang through the NCC Gorakhal camp early every morning! I feel remorse about the latter and wish to apologise to Adlakha for playing a role in bring his name into disrepute.

Thanks again for a great job, Binni.

And thanks , too, to Harshu for doing a wonderful job in creating and maintaining this site so that all of us can enjoy.

Pant Ji,
I hooked up with Avinash today. Told him about your plans to be in US this summer. He would like to know approximate dates of your arrival in New jersey, so that your US travels can be coordinated with Jitendra, Harshu, and other friends.

Guys: Just arrived in New Jersey. It was a nice and comfortable journey on nonstop Continental Airlines flight from Delhi to Newark. Will be back in circulation again from tomorrow onwards.

Good to see Harshu putting on such a great deal of effort and burn mid-night oil to cobble up nuggets and make it a fantastic forum for us to keep io touch with each other. Seeing the photos was no less interesting. I could make out AD Behl and OP Agarwal (O Pagarwal as per email) but could not believe my eyes over Sunil (sexy) Saxena. Girish, Sudhir, Pantji were recognisable easily.
Well done Harshu.

Harsh,
I translate the four lines sent on "DOST":Every path does not lead to goal(destination):When relation is because of dil it does not need a name:We have found you by heart;and such friend is not common;it is special.

64 21-Mar-07 VIREN GOYAL

Harshu, My input yo DOST DOST NA RAHA song. It is Niranjana Sinha special. This guy has great sense of humor. The background is that one day we were playing "Teen-Patti" with money in our dorm, Niranjana had run out of money, he asked one of us to loan him some money to continue playing the game.. The person refused goodheartedly. This prompted Niranjana to sing in his inimitable voice completely out of tune DOST DOST NA RAHA. Needless to say, the money was eventually loaned to him and we continued our "Teen Patti". Whenever I hear this song, this reminds me of buddy Niranjana..... Fond memories.. As I type this note... The radio is playing ...Bachpan ke din Bhulaa na dena... I would sing...Roorkee ke Din Bhula na dena. THIS GIVES ME ANOTHER IDEA, WHY DO'T WE START POSTING EACH ONE'S FOND MEMORIES of Roorkee days. It is nostalgic, let us share.

 Enjoyed Chand Saluja's second Rubai very much! We look forward to some more

I will add a capability to let you 'Edit' your entries soon.

 Sometimes we describe something as "it is not this or it is not that" or explain something as "no, I did not mean that" hoping that by eliminating a few criteria, what is left will describe the thing or the idea. It is like a recent Topo joke "Your parents have a child. It is not your brother and it is not your sister. Who it is?.....Bush's answer was it is Tony Blair!".
VK Saluja's poem about "dost" reminded me of a similar thought. His comments are NOT about Viren and Mull's favorite song "Dost Dost Na Raha, Pyar Pyar Na Raha....Jindagi me....Ek Bar Na Raha". May be Viren can explain to the group the context for that song.
 Anyway, I do thank VK Saluja for his nice comments. God bless you.

We saw a Hindi movie named EKLAVYA starring Amitabh Bacchan. I would give it 3.5 stars or call it good. The movie is only of 2 hours duration. keeps you absorbed. Only one song which is beautifully picturised. Good melody. The photography is excellent. I wish Indian movie makers learn something from this movie. Make a 1.5 to 2 hours long movie, with beautiful photography, no nonsense street songs and unnecessary fist fights etc. It felt like a movie made in Hollywood. Needless to say we enjoyed the movie. it is not a great movie but entertaining and absorbing.

Loved all the additions to the web page. The last paragraph of Corbett park trip, pant JI and Abha's pictures. They both look so young handsome and beautiful(not you pantji). I have a feeling the picture was taken just after their marriage. Addition of first Topo Group reunion was great, brought back memories. Harshu's translation of Chand Saluja's shairy was great. We hope to have the pleasure of reading more of her couplets on these pages. If photographs could be dated then the contribution of TIME(KAAL)is manifested.-Ramesh

As we are in sixties may we think of introducing a section on spritualism,mind the spritualism is very much differnt than rituals as I donot believe in rituals but I believe in GEETA, Ramayan, Puranas, and non-dualism philosphy of ADI SHANKRAACHARYA.
If agreed may I start something as intoductory

I loved your e-mail. Such encouragements make the efforts worth while. I spend about 3 hours, study ton of e-mail that comes to me from all over the world (most of the continents) select good ones in my way of thinking. I clean them up, edit , change formats, fonts, add colors at times and sometimes add comments to the mail. I think of each one of my friend whom I send e-mail. I have blast doing this in the spirit of sharing and spreading joy to the TOPO GROUP BUDDIES. I take no credit for the contents(most of the times) My mission is Joke or a funny a day as long as I can.

Stay in touch, It is always nice to hear from you.
